DECISION ON ATTORNEY'S FEES AND COSTS¹

On April 17, 2019, John Rogers ("Petitioner"), filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleges that he suffered a left shoulder injury related to vaccine administration after receiving tetanus, diphtheria, acellular pertussis and influenza vaccines on August 21, 2017. issued awarding compensation to Petitioner based on the Respondent's proffer. (ECF No. 27).

Petitioner has now filed a motion for attorney's fees and costs, dated September 10, 2020 (ECF No. 34), requesting a total award of \$8,214.68 (representing \$7,763.00 in fees and \$451.68 in costs). In accordance with General Order No. 9, counsel for Petitioner represents that Petitioner incurred no out-of-pocket expenses (*Id.* at 2). Respondent reacted to the motion on September 10, 2020, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case and defers to my discretion to determine the amount to be awarded (ECF No. 35). By email correspondence on September 10, 2020, counsel for Petitioner informed the staff attorney's office that Petitioner did not intent to file a reply. *See Informal Remark*, September 10, 2020.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorney's fees and costs. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. I award a total of **\$8,214.68** (representing \$7,763.00 in fees and \$451.68 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel. In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk shall enter judgment in accordance with this decision.³

IT IS SO ORDERED.
